Aubry Prichard Is Killed in Action

Cpl. Prichard Was Member of Co. F; Parents Notified Tuesday He Was Killed

Cpl. Aubrey Prichard was killed in action on Sept. 9. The War Department notified his parents, Mr. and Mrs. R. E. Prichard Tuesday of his death.

Cpl. Prichard was a member of Company F when it left Canyon for training. He was one of a dozen Canyon boys who have remained with Company F throughout the long training period in America and in Africa. As a unit of the 36th Division, Company F was believed to be in the Italian campaign. No definite word has been received from any of the Canyon boys since the drive started. The 36th Division is comprised largely of Texas boys, and has been praised in press dispatches sent back by war correspondents.

Aubrey was 26 years of age, and a graduate of the Canyon high school.

Surviving are: the parents, Mr. and Mrs. R. E. Prichard; four sisters, Mrs. Velma Night of Tulsa, Mrs. Vera Rooker of Tulsa, Miss Fannie Prichard of Canyon, Miss Margaret Prichard of Canyon; two brothers, Cadet R. E. Prichard, Jr., in the Air Field at Greenville, Worice Prichard, who lives in California.

Lost Child Is Found at Home

Citizens and Cadets Make Thorough Search of Missing Child on Thursday Night

Much excitement was caused Thursday night when a child was reported lost in Canyon. All of the cadets of the 350th Detachment were called out at 9 o'clock and a thorough search of the town was made. By the time this was ended announcement was made that the child was at home asleep in her bed.

Mrs. Walter Lowery, who lives on the Walter Graham ranch southwest of Canyon, came to town and left 3-year-old Loretta in the car while shopping. The school bus came by and the child decided to go home with the other children of the community.

The mother did not realize what had happened and gave the alarm about 5:00 o'clock.

The fire department was called out at 7 o'clock and joined with peace officers in the search. The cadets were finally called, and officers instructed them to search every street, alley and residence of Canyon.

About 10 o'clock it was decided someone should drive out to the ranch and see whether or not the little girl had not caught a ride home. Word came back at midnight that this was the case, and the search ended.

A large number of flash lights were given to the cadets by citizens of Canyon. Some of these could not be returned and are at the City Hall where they may be secured.

4-H Club Judges Pigs Saturday in County Contest

The Randall county 4-H Pig Club held the annual Sear's Gilt show in Canyon Saturday afternoon.

This show is held as a preliminary show to the Panhandle District Show to be held at the Fair Grounds in Amarillo. The date of the District Show this year is October 9 at 2 p. m.

The boy winning first place on his gilt at each of twenty county shows will compete in the District Show.

The top prize in each county is a registered Jersey heifer calf costing \$100.

The boys of the first year class showing gilts Saturday and their placings were as follows:

Lowell Smith, first; Easton Wall, second; Edwin Bailey, third; Ross Forbus, fourth; Arthur Spiser, fifth; Jones Hales, sixth; and Jack Conatser, seventh.

Second year class: James Bible, first; and Lee Roy Bauer, second.

Third year class: Billy Bible, first. Mr. Brumley of Hereford was the Judge.

Revival Meeting Is In Progress at the Baptist Church

Rev. J. T. Barbee is preaching two times daily at the Baptist Church. He is pastor of the First Baptist Church of Clovis.

Rev. Barbee is a forceful preacher and interest is increasing with each service. He has been a very successful minister and evangelist.

Dr. Roy L. Johnson, pastor of the local Baptist Church, extends a cordial invitation to all citizens of Canyon to attend these meetings.

November Call For 30 Men

About Half of These To Be Pre-Pearl Harbor Fathers; October Group Leaves

Randall county will send four men to the induction station at Lubbock this afternoon at 4:30 o'clock to meet the October call under Selective Service. Three will go from Canyon, and one has been transferred.

A call has been received for 30 men for Nov. 16. This means that approximately half of these men will be pre-Pearl Harbor fathers.

The local board is meeting this afternoon to carefully check the men on the roll as to their vocations, and to determine whether they are eligible for deferment under the regulations of Selective Service. Fathers who are not listed as engaged in essential vocations will be available for military service.

Two negroes are called for Monday. One will leave from Canyon and one has been transferred. One negro has been called for Nov. 1.

Noted Pianist Will Play at College Tonight

Percy Grainger, noted pianist, will give a program at West Texas State tonight at 8:30 o'clock.

This will be the first lecture number of the fall, and a large number of out-of-town visitors are expected to hear this musician.

Mrs. Ernest Smith Died at Marlin

Mrs. Ernest Smith died Friday at Marlin where the family has lived for many years. She is survived by her husband and two children.

The husband is the son of Mr. and Mrs. O. I. Smith of this city. They attended the funeral, accompanied by A. B. Holt, Mr. and Mrs. A. D. Foreman of Amarillo, Mr. and Mrs. E. W. Smith of Dallas, Mr. and Mrs. L. H. Anderson of Pampa, Mrs. Sue Ragan of Perryton.

Machine House Built for Road Machinery

G. B. Heath states that work has been completed on a machine shed for precinct No. 1. The shed is south of the high school. He bought a sheet-iron shed, and moved it to the location. With a concrete floor, he now has a fine work shop in which to repair the road machinery. Until this shed was completed there was no place to house the machinery or to make repairs.

JOINED THE NAVY

Robert Arent was in Dallas Friday to be inducted into the Navy. He passed his examinations and is back home now until he is called.

SISTER IS INJURED

C. H. Stratton had word last week that his sister, Mrs. Pearl Leap, was seriously injured in a car accident. She was improving the last report.

Roscoe Ballard Killed by Train

Well Known Farmer Hit by Passenger Train; Working Interest of Bond Sales

Roscoe Ballard was instantly killed Friday at 12:30 o'clock when his pickup was hit by the north bound passenger train two miles south of Happy.

Mr. Ballard was one of the best known farmers of the Plains. His parents, the late Mr. and Mrs. J. W. Ballard came to the Plains in 1890. They built a splendid home in the west part of Canyon in the early days, but Roscoe continued to look after the farm and ranching interest near Happy. He was one of the most extensive ranchers of Swisher county with 3,300 acres of good land, and a fine herd of cattle.

Mr. Ballard had been devoting much time in the 3rd War Loan Drive, and friends believe that he was absorbed in his work when he drove on the tracks in front of the oncoming train.

The funeral was the largest ever held in Happy when hundreds of sorrowing friends gathered at the Methodist Church Sunday afternoon at 4 o'clock for the final rites. Rev. Elmer Crabtree and Rev. R. R. Gilbreath were in charge of the services.

Interment followed in the Happy Cemetery under the direction of the Griggs-Thompson Funeral Home. Pall bearers were: A. Bicknell, A. W. Currie, Ed Sprowls, Elmer Walberg, Lewis Walberg and G. M. Greenfield. Thirty-six close friends were included among the honorary pall bearers.

Mr. Ballard was a steward in the Methodist Church in Happy and had been a member of the school board for several years.

Survivors are: the wife, Mrs. Vinnie Ballard; one daughter, Elizabeth Ann Ballard; one son, James Russell Ballard; one sister, Mrs. W. J. Flesher, who lives in South Amarillo.

Curtis Ellison Is Reported as Slightly Wounded

Mr. and Mrs. Karl Ellison received a telegram Tuesday from the War Department that their son, First Sergeant Curtis F. Ellison, was slightly wounded in the Salerno engagement.

Sgt. Ellison was shown in a picture last week returning from the engagement in a troop transport. He was First Sergeant of Company F in which there have been a dozen Canyon boys.

Pfc. James Drummond reported last week to his mother that he was in a base hospital, but gave no details. He was in Co. F.

Word of the death of Cpl. Aubrey Prichard, also of Co. F, was received Tuesday.

Jury Called But No Case In Court

A petit jury was called for service Monday but was not used.

A criminal case was set, Carl Ash being charged with stealing a car. Because of lack of evidence the case was dismissed and the jury not used.

The fall session continues through next week with little chance for any particular business. The grand jury will reconvene next Thursday to wind up the session.

JOINED THE WACS

Mrs. Ruby Kendrick Hunt is here from Dallas to visit friends for a few days. She has joined the WACS and will soon report for training.

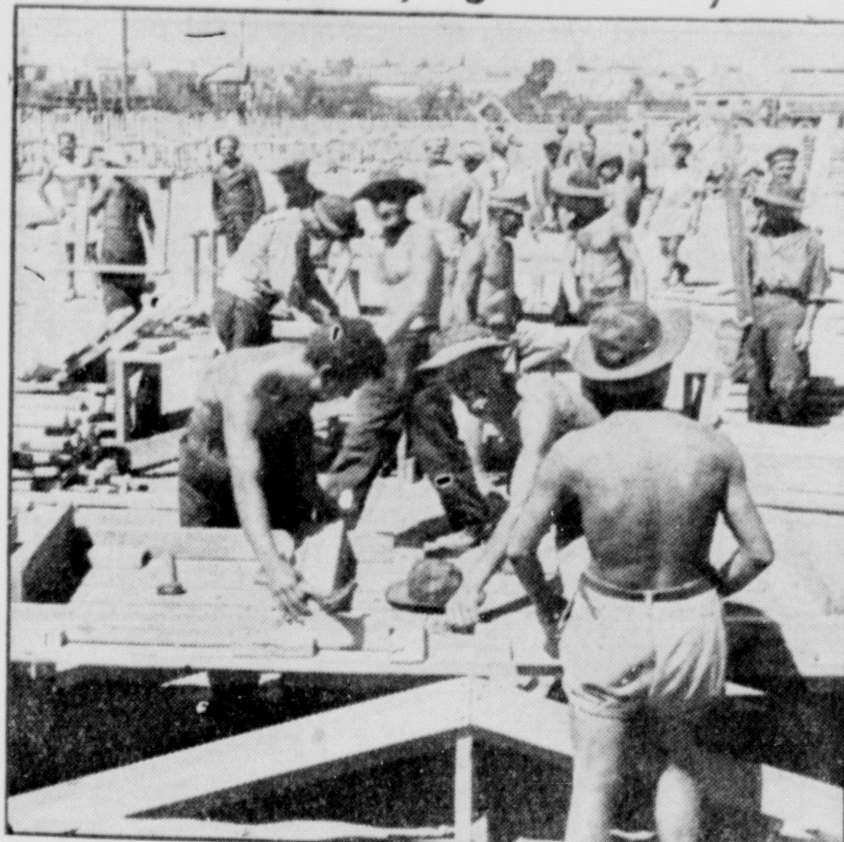

Mrs. Tom Slack, Jr., and two daughters, Sydney and Jerri Vee, of Perryton, are visiting in the home of Mrs. Slack's parents, Mr. and Mrs. J. J. Wright.

Subscriptions

The News has had a wonderful response to notices sent out last week on subscriptions which are about to expire. This is renewal time for many subscribers, and The News hopes that all will be prompt in sending in remittances.

Many people have found that they are able to make the renewals of their daily newspapers and magazines together with their renewal of The News at the same time, thus saving time and money. Now is the time to look after this.

Prisoners Paying Their Way

Nothing loath to earn their keep, Italian prisoners in North Africa are carpentering packing cases and shipping crates into double bunks and other useful items.

Zita H. D. Club Was Winner of the Window Display Contest Saturday

Many Club Members of the County Here Saturday for Luncheon and Displays

The Zita Home Demonstration Club was given first honors on the Educational Exhibits which were placed in the windows around the square Saturday, with Edgetown club placing second, and Green Haven Club placing third.

The Zita Club members chose as their title "The Basic 7." The seven classes of foods were arranged separately, showing the body's needs of the various foods and why. The exhibit was very attractively arranged.

Edgetown Club members chose Clothing Conservation as the theme of their exhibit. Children's clothing had been made very attractively ranging in price from 5c to 20c out of discarded garments. Clothing for adults had been restyled and renovated and made into useful wearing apparel. The theme of home demonstration club work now is "Conservation for Victory"—in buying less clothing, more bonds can be purchased.

Lieut. Harley Stone received his wings Thursday at the Pampa Air Field. He has a 10-day leave before reporting for duty, and is visiting with his wife and son in Amarillo and at the Tabor home here.

Lieut. and Mrs. Stone and baby will leave Friday for Fort Worth where he will be stationed for 9 weeks.

Mother of Mrs. T. A. Black Died Tuesday

Mrs. T. A. Black wired her husband Tuesday of the death of her mother, Mrs. S. C. Saxon, at Pauls Valley, Okla. Mrs. Saxon had been sick for a month and Mrs. Black has been at her bedside.

Surviving are three other daughters in addition to Mrs. Black.

The funeral was held yesterday and Mrs. Black will return home this week.

PAUL FLUGEL, JR., HOME

Pfc. Paul Flugel, Jr., is home from Midway. He is in the Marine Corps and has been in the service for 18 months. He has been in the Pacific war zone for over a year and has been in many actions against the Japs.

He brought home mimeograph song sheets which the boys use in their get together meetings. He is visiting with his parents, Mr. and Mrs. Paul Flugel.

Gift Bag of Red Cross Received By Member Navy

The Randall County Red Cross Chapter has received the following letter from Ashton W. Adams, S/LC:

"Received one of your gift bags and wish to express my thanks. You are doing a wonderful work and it helps a lot for us to know we have people like you behind us. You at the Red Cross have planted yourselves in the hearts of our boys everywhere and you can bet we'll come through on top."

\$22,000 Excess Is Sold in Randall

County Chairman Expresses Great Appreciation For Work Done by Citizens

Randall County went over the top in the 3rd War Loan Drive. The people of Randall county subscribed an extra \$22,172.75 to the quota.

The quota for the drive was \$239,000. When the drive ended Saturday night a total of \$281,172.75 had been invested in the various types of War Bonds.

County Chairman R. H. Wright has received notice that there will be no October quota owing to the fine response of the people of the nation in over-subscribing this phenomenal drive. However, all E, F, and G bond sales up to October 16 will be credited to the Third War Loan. At that time a new total for Randall county will be announced.

Announcement will be made the latter part of this month for future War Bond sales. The next drive will likely point to December 7 when Pearl Harbor Day will be observed by another big bond drive.

Mr. Wright wishes to extend his deep appreciation to the people of Randall county for their splendid response in meeting and passing the quota set for Randall county. More than 2,000 bonds were sold during this drive. Committees worked in every section of the county, and to these workers, Mr. Wright wishes to express his deep appreciation.

L. W. Cole, assistant cashier of the First National Bank, did outstanding work in writing bonds. He handled practically 90% of the bonds which were bought in Canyon. He was never too busy with his other duties to stop and take care of the bond applications. Mr. Cole stayed at the bank until 11 o'clock Saturday night in order that late comers could buy before the closing period.

All citizens who have been making regular monthly purchases of bonds are urged to continue these purchases. Others who have not joined the Bond-a-Month Club are urged to do so in order that the war program may be properly financed.

War Chest Drive Will Be Started Over the Nation

A nationwide drive will start this month for the United War Chest comprising the 17 agencies which are helping the unfortunate people of the war-torn world.

Milton Morris is county chairman, and will soon announce a county committee which will reach every citizen of Randall county. Mr. Morris attended a meeting in Amarillo Friday of Panhandle county representatives. He was accompanied by Dr. H. A. Brown and Gordon Lyons, who are members of his executive committee. Announcement of the full organization will be made soon.

In spite of making various drives for different purposes, as was the case last year, there will be one War Fund drive. Randall county has a quota of \$2,020, which is just about the same amount of money which was contributed last year to the various agencies at different times. The money collected will be divided among the different agencies according to their needs.

Governor Coke Stevenson heads the Texas United War Chest, and will address the people of Texas upon the needs of putting over this campaign.

Mr. Morris states that an organization will be held Friday night, Oct. 15 at 8:30 o'clock at the Thompson Club Room. Col. Gowen of the Amarillo Air Field, Lawrence Hagy, Fred DeCoster and Floyd Wright, all of Amarillo, will attend the meeting.

Glenn Lee Burrus Receives His Wings

Lt. Glen Lee Burrus was commissioned at the Columbus Army Air Field Friday. He was a member of the 18th class of aviation cadets to graduate from the Advanced Twin-Engine Army Flying School.

Mr. Burrus is spending a short leave here at the home of his parents, Mr. and Mrs. S. J. Burrus.

National Newspaper Week

The Canyon News is happy to present its Fourth Annual edition in commemoration of National Newspaper Week. The News is the only newspaper in the Southwest which has published a special section each year for this event.

The Canyon News has received two distinctions during the past year of which we have great pride. First, this newspaper was selected as the Outstanding Weekly Newspaper of Texas in June, 1942; second, this newspaper was selected as An Outstanding Weekly Newspaper of America in October, 1942.

Newspaper editors aren't particularly addicted to talking about themselves—especially editors of papers in small communities.

Aside from the annual reminder to subscribers regarding their subscription account, the country publisher tries to keep in the background as much as possible, and allow other citizens to take the lead in civic and community affairs.

National Newspaper Week was started three years ago. The results have been so great and so much good was achieved during the past three years that the newspapers decided to continue this work of information for 1943. The great metropolitan dailies are joining with the smallest weeklies of the nation in the observation of this week. Each class of newspaper—large or small—is performing a distinctive service to the community in which it operates. When it fails to render this service, the newspaper quietly folds up—as it should.

To many readers, our community newspaper may seem insignificant. It has no rotogravure section, no far-flung wire service, no great comic section, no magazine section, no private airplane to carry its reporters to the scene of big stories—none of the expensive and attention-compelling facilities of the big city dailies.

Because of its smaller size and scope, however, the weekly newspaper is able to concentrate all of its energies to a single section—the home community. If its news sometimes seem trivial in a world torn by wars and catastrophes, that's the reason. Your weekly newspaper is a home institution, dedicated exclusively to the service of the people of its community. It prints homey news in which you are interested, and such news is printed in no other newspaper in the world.

Apart from calling attention to the individual publications of the nation, the idea of a week set aside for newspapers is a sound one. Those who like to criticize newspapers as a whole and consider themselves more intellectual than newspaper workers, should compare the press of America with the press of Europe which is shackled and under the direct control of dictators. Instead of a free press, such as we enjoy in the United States, the people of Europe read only what the rulers want them to read and the publications are limited to a half dozen newspapers of general circulation, which are controlled to the minutest detail. Only in America do you find thousands of community newspapers which are dedicated to the job of making life more liveable in their individual localities.

A free press means that newspaper workers can write what they think without fear of being jailed by an ever watchful Gestapo, but it means much more than that—it guarantees to a free people the right to know the truth. Unless the truth is presented through the press, the people will have no means of ascertaining the truth.

So, readers as well as editors, can breathe a heart-

felt prayer of thanks for those words in the Bill of Rights:

"Congress shall make no law . . . abridging the freedom of speech or of the press."

Get the "Fears" Straight

A recent advertisement shows the picture of a wife plowing in 1777, while her husband was away fighting for their country's independence. The advertisement then stressed that by building up certain financial reserves, one can gain "freedom from the ugliest fear of all—want."

Nowhere was the point made that the woman plowing was doing a job to help free herself and her husband and her country of a fear much greater than that of financial want, namely, fear of tyranny, fear of oppression, fear of injustice.

"Freedom from fear" and "freedom from want," as they are generally presented to our people today, seem to be based entirely on material things, as if easy living and a full stomach were the principal guarantees which we should worry about.

The right to be independent and free of domination by any government, any king, or any bureaucracy, is what the 1777 woman and her husband were fighting for. A full stomach or financial security were the least of their fears.

Congress has started work on a new tax bill which will really take the money away from the American people. We had as well face the facts: We are going to pay a greater part of the expense of World War II, just as we paid the bill for World War I. The lend-lease goods which we have furnished our Allies will never be paid for. And we are committed to take care of the nations which are freed from Axis domination. Taxes will be high for years to come. The News has stated many times that a general sales tax is the best means of raising money. We are collecting luxury sales taxes, and if there was a general application of the sales tax the results would be much better for the government. First on the new tax program are increases on income taxes, luxury taxes, withholding and Social Security levies.

Randall county citizens did the noble thing in more than meeting the quota of the 3rd War Loan Drive. When the drive started, many folks thought that the quota could never be reached. But it was reached, and a safe margin of over-subscriptions were received the last day of the Drive. The fact that Americans bought the largest amount of War Bonds in the history of the world should make the Axis realize that the people of this nation mean business and that they are going to see the war through to a victorious end. Thanks of the nation go to 2,000 persons who bought bonds in Canyon, and to those who gave so liberally of their time in making this drive a great success.

A Senator indulged in cheap politics, along with Senator Wheeler, in declaring that we could win the war in four months by the use of bombs. Such talk as this tends to discredit the military leaders—men who have devoted their lives to a study of military tactics. It must be remembered that the Germans sought to reduce England through bombing—and they failed. Germany is much larger than England, and so far as we know we have not even started to shatter German resistance through our constant bombing. Of course armchair strategists know exactly how to win the war. Our military leaders should not be handicapped by such cheap political chatter as has come from our senate.

Men in various branches of the armed service are buying bonds. These men realize that when the war is over they will need money to get started back to civilization. Those who were in France in 1918 recall how many of the boys threw away their pay of French money, but the wise ones sent it back home for use after the war. The News is being read by hundreds of men in the various branches of service. We certainly advise all of them to save their money, investing it in War Bonds, so that they will have a nest egg on which to start anew after the war. Large numbers of the Randall county boys are following this practice.

Wendell Willkie has announced that he will be willing to run for President on the Republican ticket, provided the party adopts his platform. The old guard isolationists are determined that Willkie shall not be chosen. He has to whip that bunch before he can hope to receive the nomination. There is no longer little question about Roosevelt seeking a fourth term. The President completely overshadows every potential candidate in the Democratic ranks. If the war is still on by November, 1944, even Willkie will have little chance of winning against the President.

Cpl. Troy Brasuel Writes About His Experience in Africa

Cpl. Troy A. Brasuel has written the News about his life in Africa. He enclosed a copy of "Bonjour," the soldier newspaper. Troy is with the 47th Sqn. Transport NAS.

The letter follows:

Africa, Sept. 7, 1943.

Dear Mr. Warwick:

I am writing just a note to let you know how good it was to receive a copy of The Canyon News. I have been in the Army sixteen months now and that was the best paper I have read as yet. Over here we get the war news by bulletin, radio, or rumor, but the things we actually want to know about are how the folks back home are making it and what they are doing. Tonight at just about this time seven months ago, I with a number of other fel-

lows climbed aboard our previously arranged transportation and sailed and sailed until I thought we would never stop. At the end of twenty-four days of jitters we gladly dragged ourselves off and moved into our first overseas camp.

After six months here you can be sure that I would give a lot to see Canyon and all my good friends there. I intend to stay over here though until the whole thing is finished, then I can come home and know that I and others will not have to return to these places for the same purposes for which I came. I am told that this particular place was once a resort for the people of Europe, and especially France. But for living the year round it is no good. The natives tell us that even the Black man would not live in parts of it. He should know as he has lived here for many years. Some of them are pretty smart, too.

There is a lot more that I would like to write, but can't, and I have

not too much time, so will try to find more in the near future to tell of the Dark Continent.

Until I see you all, best luck, Alton Brasuel.

Captain of a transport, to Infantry Captain at mess—I notice all you boys bolt your food.

Infantry Captain: Yes, sir, aboard your ship, sir, we have to bolt it to keep it down.

Our Motto Is

"Keep 'em Playing"

Bring in those "CAN'T BE FIXED" sets.

We will fix up your radios and keep them going for the duration.

Buggy Is Given Panhandle-Plains Historical Society

Increasing collections of the Panhandle-Plains Historical Museum, Cleo Hubbard of Goodnight gave to the organization last week a typical early twentieth century buggy formerly owned by Colonel Charles Goodnight.

This two-seated vehicle, officially called "Hack," was rubber tired and of the latest model when Colonel Goodnight purchased it in 1907. Now, however, it is held together with wires and has metal-rimmed wheels. With its brake on the right-hand side, small steps of iron, and wooden seats, the buggy represents the style of that time. It served as a mode of transportation for Goodnight until his death.

Mr. Hubbard, who has had possession of the buggy for many years, grew up on the Goodnight ranch, since he was an orphan child, reared by Colonel and Mrs. Goodnight.

The buggy is already on display in the basement of the museum.

Fire Prevention Is Needed Because of Many Risks

Every city and community should take advantage of the publicity afforded by Fire Prevention Week (Oct. 3-9) to make a thorough examination of every building for possible fire hazards. R. B. Roaper, president of the Texas Safety Association, believes.

Roaper pointed out that despite rigid fire inspections, tragedies such as the recent Houston hotel fire which claimed over 50 lives still happen. He urged municipalities to take time out from the fast pace of living caused by the war to see that as many lives on this side of the ocean as possible can be saved.

The safety head explained that public interest in fire prevention at its height, during Fire Prevention Week, and believes that civic clubs or other interested groups will

be able to get more cooperation than in a state-wide cleanup than at any other time.

"We should turn our attention not only to schools, theaters, and public buildings, but to our own homes," he declared. He pointed out that the public places in most cities are watched by fire officials, but the home safety angle is up to the families themselves.

Roaper reminded that last year 8,000 persons in the United States lost their lives due to burns, for a death rate of 6.3 per 100,000 population.

Pi Chapter of Delta Kappa Gamma Scholarship at W. T.

Dr. Hattie M. Anderson, retiring president of Pi Chapter of Delta Kappa Gamma, has been receiving congratulations upon having carried to completion the collection of money for the creation of a schol-

arship. Ensign Catherine Chapman, formerly an active member of Pi Chapter, wrote Dr. Anderson "I do congratulate you heartily upon the attainment of your dream. It was heartening and inspiring to see the manner in which you arose to the occasion, met the challenge and accomplished your purpose. You are hereby awarded a medal of honor of my own particular vintage. I'll try to deliver it in person when I next see you." The Pi Chapter Scholarship is valued at \$1500, and any member of Pi Chapter is eligible to benefit by it.

Delta Kappa Gamma has also awarded to West Texas State College, a scholarship valued at \$1500. This is open to any member of Delta Kappa Gamma, who wishes to attend this college. The Pi Chapter scholarship has not yet been awarded to a particular college.

First 1944 political forecast noticed is that of H. B. Broiles in Gladewater Times-Tribune that the Governor will run for Congress and that candidates for Governor will be present Lieutenant Governor, Attorney General and R. R. Commissioner Jester; that District Attorney Fred Erisman of Longview will run for Attorney General.

Chapultepec Castle is one of the most interesting places in Mexico City. The castle, known as the "White House of Mexico," has served as the residence of presidents and was the home of Emperor Maximilian and Empress Carlotta. "Chapultepec" means "grass-hopper" and there is a huge bronze statue of a grasshopper beside the pool in the yard. Situated on top of a hill in the edge of a great park, the castle commands a magnificent view of the city. The edifice is a show place, open to the public, and one admires the ornate and costly furnishings which the luxury-loving empress imported from France. Some of the rooms have silk walls; the dining room is lined with satin.

My old school teacher used to say, "Never use a preposition to end a sentence with."

Peter Molyneux, noted author and magazine writer of Dallas, tells of a wealthy Fort Worth man who, several years ago, went to Europe to consult an eminent specialist. The physician said, "Return to America and go to Texas"—he had not asked where the man was from — to a place called Mineral Wells and drink and bathe in the waters there."

And when a European sent a great coin collection to the United States to be sold, he sent it to the governor of New York, who communicated with a Manhattan authority on coins and was advised that the greatest coin dealer in the United States is Max Mehl of Fort Worth.

Just two more evidences of the greatness of Texas!

While one Austin statesman says that gasoline rationing is unnecessary because "the people of Texas are drowning in oil," the oil industry of the State has been pleading for more than a year for an increase in the price of oil on the basis that wildcatting needs to be encouraged so new fields can be discovered and a famine in oil prevented.

Personally, I think the oil men know more about the oil situation than the Austin politician does.

The people of Texas may be in danger of "drowning" in something but I never heard it called "oil" before.

Branch Archer, who has been stationed on the Island of Trinidad under the FBI for the past sixteen months, is visiting friends in Canyon. His wife, Evangeline Baker Archer who teaches at Ozona, Texas, is with him.

Dr. Leo Duflot visited his family and friends last week. He is in the Naval Reserve, and will serve a short internship at Parkland Hospital, Dallas.

A. A. U. W. ORGANIZED FOR COMING YEAR'S WORK

Members of the Canyon Branch of the American Association of University Women organized four study groups and made plans for the year when the organization met at the Kerr House Monday evening.

A dessert course was served the guests upon their arrival. Following the social hour, Miss Margaret Barrett presided at the business meeting.

The Literature group elected Miss Lee Una Sullivan chairman. Miss Sullivan appointed Miss Sarah Thompson, Miss Edna Graham, and Miss Tennessee Malone to recommend books which might be reviewed by the group during the year.

Miss Darthula Walker was re-elected chairman of the International Relations section. Events of current interest will be discussed by this group.

Miss Nell Green and Miss Adele Barnes will serve as co-chairmen of the Drama group. Members of this section will read plays which have been written and produced within recent years.

Conversational Spanish, a group organized for the first time this year, will meet once each week. The first meeting will be held at the home of Miss Jean Moore, Thursday, October 14, at 7:30. Members who expect to join the group are asked to bring any Spanish books which they may have. Mrs. Hester Morgan and Mrs. Jack Taylor will direct the work of this group.

The next general meeting of the A. A. U. W. when all study groups will meet will be held at the College Health Center, Monday, Nov. 1, at 7:30.

In addition to those mentioned above, other guests present at the initial meeting were: Mesdames A. K. Goodman, K. L. Kirkland, Felix Neff, T. V. Reeves, Charlie Duval, J. R. Sharp, Robert W. Dean R. P. Jarrett Attended Meeting In Austin Saturday

Dean R. P. Jarrett returned Sunday from Austin where he represented West Texas State at a meeting called by State Superintendent L. A. Woods for the purpose of discussing the present emergency and prospective post-war needs in education.

Those participating in the discussion were representatives of the State Board of Education, State Department of Health, The Texas Congress of Parents and Teachers, The Texas State Teachers Association, and colleges having Teacher Training Departments.

The schools are expected to take the lead in community-wide education which will make successful the present war effort and offer solutions for the problems which will come immediately after the war. The work will involve not only schools, but all sorts of community groups.

Dean Jarrett visited with Dr. L. F. Sheffy in a Dallas hospital and reports that he is improving. Dr. Sheffy has been in bad health for several weeks, and went to Dallas for treatment two weeks ago.

Baptist Church Burned Mortgage

At a brief ceremony as part of the morning service last Sunday, a fire consumed parts of the evidence of the long-time debt of thousands of dollars on the First Baptist Church in Canyon. W. H. Harden, vice-chairman of the Board of Deacons, fired the first note of a series that totalled \$25,000.00. Several of the notes were burned and a number of interest notes were also fed to the fire. Historical materials connected with the loan and the building were of course preserved for historical files.

Others participating in the ceremony besides the pastor, were Dr. J. A. Hill, representing the original building committee; Dr. John S. Humphreys as a member of the board which negotiated the original loan; Mrs. W. T. Davis, representing the women of the church; John L. Hammond, representing those who have joined the church since the building was begun under the pastoral leadership of Rev. Lyn Claybrook; and Miss Marcine Keeney, president of the Baptist Student Union, representing the students of past, present and future. Mr. Harden also burned one coupon note in the name of Rev. J. R. Hicks and other former pastors of the church during the life of the present building. Although out of debt, the church will push forward in work on the building which lacks some \$15,000.00 being complete in all its many parts.

Dr. C. E. Donnell Moves Offices

Dr. C. E. Donnell has sold his home on Fifth Avenue and bought the group of three houses one block north of the postoffice. He is using the north one as his office, 306 15th Street.

He states that 22 years ago he lived at the same location, but in a different house.

Sgt. Technician Jacqueline Tabor Malone of Washington, D. C., arrived Monday morning to spend a 10-day furlough at the parental Guy Tabor home. Sgt. Malone is a WAC serving in the War Department. Her husband is in the Army stationed in Utah.

Dr. H. A. Brown has increased his personnel and installed new equipment, making it necessary for Mrs. Alice Black to give her entire time as office nurse and Physio-therapy Technician. In this connection Mrs. C. R. Fleisher has accepted the position as receptionist.

Mr. and Mrs. M. F. Bewley will leave Friday for Fort Worth to visit a brother of Mrs. Bewley, G. C. Bone for a few days. They will then go to Dallas to visit a sister of Mr. Bewley, Mrs. T. H. Thompson, who is very ill.

Mrs. Dan Burch of Pampa spent Saturday with her mother, Mrs. Stella Murrell.

Talk on Geography Continued Tuesday at Lions Luncheon

Prof. Beinhof, of the West Texas Air Training faculty, continued his interesting discussion on Geography which he began in last week's meeting of the Lions Club.

In tracing the influence of geography on world politics, Prof. Beinhof showed how early geography was flat, that is, built upon the conception of a flat, rather than a round, world. Following this was a period in which maps showed the world more as a cylinder with a long east to west expanse and a shorter distance from north and south. This idea has in turn been superseded by the conception of a polar world, in which the land masses are grouped more or less about the North Pole. This is known as the polar geography and is the present conception as it applies to world relationships.

The air-age has outmoded isola-

tion, according to Prof. Beinhof. The air age has brought, and is bringing to us, as a nation, a new set of neighbors. It has already brought us new enemies. The United States has remained provincial in a world of tightening relationships, in the opinion of Mr. Beinhof. He believes that peace will be maintained and wars prevented by attention to geographical relationships.

New members introduced to the club were Mark Foster and Prof. C. S. Littlefield.

Mr. and Mrs. Cecil Hagood and family of Floydada, and Mr. and Mrs. Vester Hill and family of Spearman visited in the home of Mr. and Mrs. Worth A. Jennings Sunday.

C. A. Dodson, who drives the Ralph school bus is part time employed at the Imperial Chevrolet Company.

Mr. and Mrs. Bill Money and children of Pampa spent Saturday at the parental W. J. Hinkle home.

Mr. and Mrs. Alfred Bellah, Mrs. Robert Bellah and son have returned from Camp Ellis, Ill., where they spent a week with Cpl. Robert A. Bellah, who is in the Engineers Corps.

W. S. Bennett has resigned his position as County Agent of Hutchinson County and has accepted a position with the O. D. T. in Amarillo.

Mr. and Mrs. W. H. McKee, Juanita and Steve, were in Amarillo Sunday to see Mr. McKee's niece, Jo Veda McKee, who is in a hospital from an operation.

John Robinson and little daughter, Peggy Jean, had their tonsils removed in an Amarillo hospital last week.

Mr. and Mrs. M. S. Jenkins of Pampa visited in the home of Mr. and Mrs. Carl Schroeder Sunday.

Erma Mae Sutton of Amarillo spent the week end here with her sister, Mrs. John R. Pool.

AGRICULTURE PREPARING FOR 1944
 Easing of the rationing restrictions of farm machinery, increased production of new farm machinery, and a campaign among farmers to "Keep Your War Equipment Fit and Fighting" are indication of plans now being laid by the War Food Administration to meet increased production goals for 1944. Suggestions for expanded wartime production have been sent for consideration to State Agricultural War Boards and other farm representatives. State boards have been asked to set 1944 goals. The national program calls for a record-breaking 380 million acres of crops. Problems relating to labor, machinery, supplies, conservation practices, and prices will be considered at 48 state meetings of state groups with representatives of WFA during October.

POTATO PRICES
 Specific ceiling for white potatoes of the late 1943 crop have been set by months for October, 1943, thru June, 1944. These prices continue the general price level set for the spring crop of potatoes at the country shipper and intermediate seller levels with allowances for graduated monthly increases to take care of storage charges. Because of the large crop this year, it is expected that potatoes generally will sell substantially below the retail ceilings.

4 PER CENT INTEREST ON LAND BANK LOANS
 Action taken recently by 12 Federal Land Banks will substitute a 4 per cent interest rate for higher rates of 98 per cent of the loans made by the land banks prior to June 24, 1935. "The Land Banks" 4 per cent rate is the lowest at which farmers generally ever have been able to obtain long-term mortgage credit. A. G. Black, Governor of the Farm Credit Association said.

EASIER TO GET PRESSURE CANNERS
 Pressure canners may be bought for individual home use under liberalized regulations now followed by the local Agricultural War Boards. A person who needs a pressure canner may apply directly to the local County Farm Rationing Committee for a Certificate of Eligibility or ask that previously filed applications be reviewed under the new ruling.

FUNDS FOR MATERNITY, INFANT CARE
 More than 200,000 additional wives and babies of servicemen will be able to receive maternity and infant care during the remainder of this fiscal year as a result of the additional funds voted by Congress. The program is limited to wives and infants of enlisted men in the four lowest pay grades. Between July 1, and October 1, wives and infants of servicemen in the top three grades below commissioned officers were also covered.

ODT WARNS ABOUT SCHOOL BUSES
 School buses may not be used to transport students to athletic games, state or county fairs, or similar events, the Office of Defense Transportation has stated.

TO PREPARE ENGINES FOR WINTER
 Anti-freeze used last winter and saved for re-use this winter should be tested. In time anti-freeze loses its strength and its non-corrosive properties. Nearly all manufacturers of permanent types of anti-freeze have made up acid and rust inhibitors for restoring resistance of used anti-freeze. In adding new material, it is wise the Office of Defense Transportation says, to use the same brand used in the first place. A free pamphlet entitled "Cooling System; Cleaning, Flushing, Rust prevention, Anti-Freeze," that tells about the care of water-cooling systems in engines used in automobiles and farm equipment, will be sent to those who request it. Address: Office of Information, ODT, New Post Office Building, Washington, D. C.

NEW TIRE RULINGS
 Eligibility for new passenger tires (grade 1) has been restricted to "C" book drivers with a mileage of 601 miles or more per month. All "B" drivers and some "C" book holders will now be eligible only for used and recapped tires. The number of new passenger tires available for rationing in the October quota will be reduced by one-fifth, the OPA recently announced. Quota for farm tractor and implement tires for October is 59,800 as compared with 73,600 in September.

It's got me Goggle-Eyed

MOTORISTS ARE SURPRISED when we give them one simple clue to choosing a motor oil which will help protect and preserve their engines for the duration.

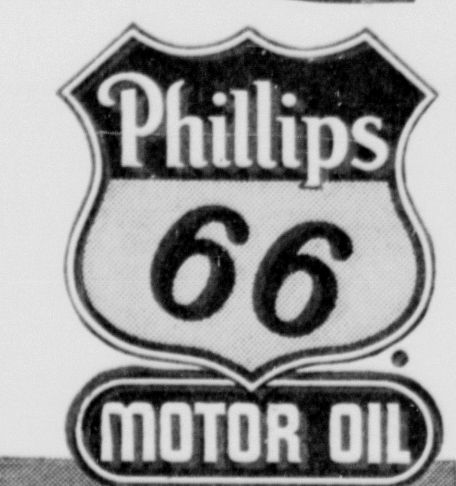

With this clue, you can pick a motor oil with as much confidence as an expert who has witnessed every step in the process of producing it. These facts tell why:

Because cars... car owners... and their price preferences... all differ, Phillips offers a number of oils to meet these varying requirements. But if you want our best oil, you need have no doubt or hesitation. Phillips tells you in all frankness that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

It pays to ask for Phillips 66 Motor Oil when draining summer-thinned lubricant, or when making the recommended every-two-months oil change.

Zita H. D. Club

(Continued from page 1)

The Green Haven Club (formerly the Western Avenue Club) displayed twenty-one varieties of fruits and vegetables that were taken from their own gardens at this time. Many varieties of fresh vegetables and lovely strawberries were shown. This club wishes to assist the women with fall gardens and a greater variety for health and victory.
 The Park Club had an exhibit of beautiful handmade articles. Attractive things for the home can be made on long winter nights; these lovely pieces add much to the charm of the home and to the morale of the family.
 Ralph Clark exhibited "One hour from the Garden to the Can," showing proper equipment for efficient canning. A variety of canned products were shown which had been canned by the club members, that would catch the eye of any passers-by.
 A covered dish luncheon was served in the American Legion hall at noon. Guests were Judge and Mrs. A. H. Hunt, Misses Pauline Lokey, Potter County Home Demonstration Agent and Rhita Jean Sullivan, high school home economics teacher who were the judges, and Miss Mary Louise Piel, a college freshman from Moore county who was a Gold Star 4-H girl this year.
 Mrs. L. L. Byars, council chairman had charge of the program.
 In speaking to the women Judge Hunt complimented their work and reminded us that our jobs will be greater in the future. "There are definite things that the rural women of America can do in the war effort," Judge Hunt continued.
 Miss Virginia Ann Carter of Green Haven played a piano solo.
 Mrs. L. E. Mason of Highland gave much inspiration in a chalk talk which she presented as a musical with Mrs. Charles Thurmon at the piano. Miss Piel gave a brief report of her 4-H club work.
 Miss Lokey gave constructive criticism of the exhibits.
 About fifty women were present, representing seven clubs.
 Mrs. O. P. Cowart, daughter of Mr. and Mrs. Harvey Cash, left Monday to join her husband who is stationed in an army camp near Battle Creek, Michigan.
 Mrs. George Vineyard spent the week end in Dallas with her husband, Sgt. George Vineyard, who had a three-day pass.
 Mr. and Mrs. Jack Walker spent the week end in the home of Mrs. Walker's parents, Mr. and Mrs. T. S. Maxwell.
 Mrs. J. B. Wigington and two sons of Lockney visited in the home of her aunt, Mrs. G. B. Bourland, Sunday night.
 Mrs. Tom Ziegler is nursing Mrs. Franklin Weir in Amarillo, who is reported to be improving slowly.

Mrs. Dan K. Usery spent the past week end in Dallas attending a board meeting of Texas Federation of Business and Professional Women's Clubs.

Mr. and Mrs. Otis Parker and sons of Wayside visited in the home of Mrs. Parker's parents, Mr. and Mrs. G. G. Foster, Sunday.

Mr. and Mrs. E. C. Robinson spent the week end in Canadian with their two daughters, Mrs. J. W. Mathis and Mrs. C. D. Pyate.

Miss Oma Robertson visited in the home of her brother, Mr. and Mrs. Dwight Robertson of Amarillo Sunday.

Mrs. Seth B. Holman and Mrs. H. C. Baird of Hereford spent yesterday in the home of their brother, Harvey Cash.

Ensign Frank Van Noy visited ex-college friends in Canyon last week.

Mrs. Lila Mae Jones had a tonsillectomy September 25, but is back at work with Thompson Hardware.

Stick a Stamp
Lick a Tramp

By Lindsey Taylor

Much attention will be given to basketball by the athletically inclined boys of C. H. S. this year. Mr. Sanders, the coach, stated, "Boys seem to be in fair shape and we hope to take the district." The boys behind the ball include: J. Ray Hunter, Bob Copeland, J. Spencer Winn, Max Bosley, Bobbie Dowd, Bobby Black, Kenneth Vaughn, Tommy Thompson, Leslie Gordon, Merle Dickerson, Harley Hicks, Earl Gene Peppard, Charles Taylor, Lindsey Taylor, Don Standley, and John Gill.

Yo Heave Ho
Above all the confusion of a tug of war game, this old Russian chant could be heard, as twenty or thirty husky senior and junior boys matched their strength. Although the junior lads won, according to the seniors, it was because there were more of them.

Lots of fun, hey boys?
A few of the boys from our Alma Mater saw the Amarillo Golden Sandies vs. the Vernon Lions, and we must say it was a very exciting game. Even though the Sandies downed their opponents, 21-14, it was very close for the victors made their last touchdown with only a few minutes to play. The Sandies are a strong team, but then, they should be.

Projects Employ Girls' Summers

Under the leadership of Miss Rhita Jean Sullivan, twenty-one girls brought their summer projects to a close September 27. Girls have been working on these projects since June 1.
To add to the interest of the projects, and to provide recreation for participants, the girls met in the gym at an appointed date for skating. Officers and members conducted business and discussed future plans after the recreation period.
"Each girl was anxious to work, did good work, and profited much from it," commented Miss Sullivan.

Chapter Selects Year's Officers

Canyon Chapter of Future Farmers met Friday noon to elect officers. After much contemplation the following were selected: Harold Erwin, president; Bill Thurman, vice-president; Lewell Johnston, secretary; Richmond Hales, treasurer; James Lair, reporter; Lee Armstrong, watchdog; Ross Bruner, historian; Bill Jones, bouncer.
A registered chapter board was given the F. F. A. by Charles So-Relle.
It was decided that F. F. A. dues are to be paid.

Speer Announces Faculty's Goals

Military Advisors Praise School Accomplishments

"Army and Navy officials seem very well pleased with the work done in the average school room," Supt. J. B. Speer announced in faculty meeting, September 28. "They feel, as a whole, that teachers are good instructors, and are doing their bit toward inspiring loyalty."

He continued with the information that the trend of opposition toward employing "home-town" teachers has changed. Now, nineteen of our faculty members own homes in Canyon and are taxpayers. Mr. Speer emphasized the fact that most Texas schools need Federal support, and schools over the nation need an equalization of curricula, salaries, etc.

"Our goal," he states, "should be a closer organization of our teachers for the betterment of the profession, which can be aided by 100% membership in our own Texas State Teachers Association and the National Education Association."

Grades Start Year's Activities

"Grade school activities are well underway after classroom organization during last week," says Miss Elva Fronabarger, principal.
Tuesday of last week was spent in issuing books, becoming accustomed to the building, and conducting separate classroom fire and air raid drills.
First full study schedules were taken on Wednesday, and the rest of the week was spent in "getting acquainted."
In bad weather the children spend the noon hour in the gym. New referee for games during this period is Max Bosley, high school senior.

"Enough food can be saved on one farm to feed twenty fighting men for one year." This was the theme of a short movie shown to students in Canyon recently by the management of the Olympic Theater.

YES, WHO?
Smith, a traveling salesman, was known to be a sound sleeper. On board a Santa Fe train at Chicago, which was scheduled to arrive at Fort Madison very early the next morning, he said to the porter, as he gave him a substantial tip, "George, I am going to bed now, but I want to be put off at Fort Madison in the morning. I am a very sound sleeper and also dog-mean when first awakened; I may argue with you, even hit you, but you see to it that I get off at Fort Madison. The next morning, some hours after the train had passed Fort Madison, the porter was confronted by Smith, who demanded in angry tones to know why he was still on the train. The porter gasped and, rubbing his fast swelling eye, exclaimed, "Fire an' water! Den who was dat gennelman I put off at Fort Madison?"

Classes Hold First Meetings

Dowlen Conducts Musical Classes

With Mrs. Glenn Dowlen as their new director, students interested in band and chorus have enrolled in musical work this year. Last year these activities proved to be a success, both in educating the students and in bringing in money for War Stamps and Bonds.

As yet, only a small number of students are taking this work due to conflicts in schedule; however a new plan has been made to include more students.

In order to give those who ride busses a chance to take band, classes will be held on Tuesday and Thursday from 4:00 until 5:00; and on Monday, Wednesday, and Thursday from 9:30 until 10:00, so that the basketball boys may take it. Chorus will be on Tuesday and Thursday from 10:00 until 11:00.

Snappy WAC Orders Astounded Students

"Absolutely no whistling," commanded Technician 4th Class Jacqueline Tabor Malone, as she stalked in the door of an American History room to greet a mass of starry-eyed boys and envious girls. From all indications, she had seen enough of Canyon High School to know that her command would be entirely appropriate and absolutely essential.

Older students can remember the time when Mrs. Tabor would stick her head in the door, point to this oldest daughter, and say "Look at the monkey," but since Mrs. Malone is now an impressive-looking and beautiful (to say the least) member of the WAC, all our English teacher can do is point proudly and smile.

To a great many Canyon residents, Sergeant Malone is remembered as a wonderful swimmer, hence, upon entering the college, the first thing that met her ears was "Did you bring your bathing suit?" However, since she has swum the Potomac, the confines of a mere swimming pool would probably seem tame in comparison.

Sighs of discontentment were heard for miles around when the "high school wolves" found out that Mrs. Malone had only a 10-day leave.

Her comment on Washington, D. C., where she is now stationed is: "It is even worse than shown in the movie, 'The More the Merrier.'" Upon hearing this, one student looked blankly into space and exclaimed, "Gosh!" Whether that student was referring to the previous statement, or to the appearance of the WAC is left entirely to the imagination of the reader.

QUEER NAMES GALORE

Queer and often funny are the names which colored people of the South have selected for some of their religious, social, and fraternal organizations. The following are taken from the records of charters of incorporation, issued by the secretary of the state of Mississippi:

The Brotherly Love Continued
The Nuptial Tie Union; Cooperative Too Utterly Uter Marriage Aid Association; Grand Tabernacle, Independent Order of Brothers and Sisters of Love and Charity; Grand Fountain of Grand United Order of True Reformers of the State of Mississippi; the Connubial Anti-Matrimonial Society; Supreme Lodge of the United Reformers of America, Asia, and Africa; Supreme Lodge of the Grand Arch Temple of the Brothers and Sisters of America, Incorporated; Independent Pole Bearers of Australia; Grand Court of the Independent Order of Calanthe, Under the Jurisdiction of the Supreme Court Annexed to the Supreme Lodge, Knights of Pythias, Colored, of North America, South America, Europe, Asia and Africa.

Teachers Accept Posts

Completing a war-depleted Canyon Public School Faculty are eight new teachers from far and near. They include, from left to right: Mrs. Robert Orton, Mrs. Johnnie

Dine Dollard, Miss Birdie Cleo Crabtree, Mr. W. G. Sanderson, Mrs. Mitchell Jones, Mrs. E. W. Miller, Mrs. Glenn Dowlen, and Mrs. Lee Gilmore.

Well, well, well, another school year has rolled around, and old Cal is back at his post—laboriously gazing upon brilliant faces—trying to discover some bit of news that will be of interest to the student body.

I understand perfectly about a certain Flake Thurman's ardent admiration for a certain Frances Alice Harp. All this is very clear. But where in the world does a certain sweetheart bracelet belonging to a certain Betty Brown fit into the picture? It certainly is a mystery!

Boys and girls of Canyon High School, the time has come for you to prove your loyalty to a deserving friend and classmate. Tommie Thompson is putting forth great effort in the attempt to secure enough notebook filler coupons for a premium. Rumor has it that he wants a new super-deluxe jack knife. Come on, kids, help a fellow student in distress.

Evelyn Black and Bobbie Dowd seem to be in the same boat. Don't get me wrong now, I only mean that with Charles Owens and Frankie Phillips attending West Texas State College, noon periods and study halls just don't meant a thing to them. At least that's the way I've heard it.

Goodness, gracious, old Cal is certainly surprised to see so many of last year's twosomes still moon-gazing. For instance:

Lewell Johnston—Juanita Anderson.

Eugene Bonds—Mary Alice Campbell.

Lindsey Taylor—Ruth Price.

Tommie Thompson—Sue Ann Moreman.

Don Standley—(Oh, pardon me; there seems to be some mistake!)

Well, that's all for this week. So, until next Thursday I leave you with this parting message: If by chance you know any choice bits of gossip that would be suitable for this column, just put a bug in Old Cal's ear. He'll always appreciate it.

Guess Who
He loves to eat;
He likes to write;
Sport stories are

His chief delight.
On this year's staff
He is head guy.
If you can't guess this,
I wouldn't know why.
Answer to "Guess Who" in the final edition of last year's paper was Supt. J. B. Speer.

Bobby Black Blushes, Booms "I Dood It"

Mrs. Knott's voice penetrated the silence of the plane geometry room. "My goodness, whose work is that?"

No one stirred. Seconds elapsed, then, "Oh, it's mine!"

Slowly reddening, Bobby Black remained quiet while the teacher continued:

"Well, Bobby, you were supposed to bisect the line segment with a compass. How did you do it?"

Grinning from ear to ear, he held the board up in his hand.

"Teacher, I dood it with my little ruler."

Foster Will Edit School Gazette

Meeting for the first time this school year, Tuesday, September 28, the Journalism students organized this semester's press club.

Supt. J. B. Speer began the meeting by announcing the following positions: Editor, Manus R. Foster; Assistant Editor, Molly Nann Ziegler; Second Assistant Editor, Evelyn Black; Business Manager, Billy Jane Bonifield. Ellen Sanders and Kathryn Davenport will assume positions as copyreaders, while Lindsey Taylor undertakes the position of Sports Editor, and Ruth Price, Charles Hillier, Margaret Lair, Ellen Root, and Bobbie Dowd begin as reporters.

"I find the sponsorship of this club both interesting and beneficial to the school, and the students are eager to co-operate in every way in order to turn out the best paper possible," said Mrs. Nora E. Gilmore, who has filled the position of sponsor.

Study Hall Applauds Brown's Downfalls

"Pick her up! Pick her up!"
Some students never learn, but take it from Betty Brown, freshly oiled floors are slick and hard to stand on.

After scooting half the length of the library during the second period, most students would be satisfied, but not Betty. Fellow students enjoyed a hearty laugh at her expense when her bucking-bronco chair threw her during the fifth period.

Slowly rising and displaying her dirt and grease stained dress, Betty clearly revealed by the expression on her face that she was thoroughly black and blue on the subject.

The three bears were taking a walk on the desert so Goldilocks could eat the little bear's porridge. Papa Bear sat on a cactus and said, "Ouch!"
Mama Bear sat on a cactus and said, "Ouch!"
The little bear sat on a cactus and didn't say anything—just sat. Mama Bear turned to Papa Bear. "Paw," she said, "I hope we're not raising one of those Dead End kids."

A man in a restaurant was having trouble cutting his steak. No matter how much pressure he exerted or how much he jabbed at it, he got no results. Finally he called the waiter. "You'll have to take his back and bring me another."
"Sorry, sir," said the waiter after closely examining the steak. "I can't take it back. You've bent it."

Sponsors Direct Class Activities

Room Parents Will Direct Class Social Activities

To resume their work of the past year, classes held opening meetings Friday, October 1st.

Aiding Mr. W. G. Sanderson, sponsor, in directing the senior class are president, Helen Jo Cox; vice-president, Billy Jane Bonifield; secretary, Shirley Ann Newberry; and treasurer, Evelyn Black. Delegates to the Student Council are Mollie Nann Ziegler and Charles Hillier. Chosen as senior room parents are Mr. and Mrs. Joe Cox, Mr. and Mrs. D. M. Foster, and Mr. and Mrs. A. H. Simon.

Class Elects Sanders
Mrs. D. F. Sanders has accepted the sponsorship of the junior class. Selected to lead this group are president, Don Stanley; vice-president, Ernest Frank; secretary, Sue Ann Moreman; treasurer, Betty Brown; and Student Council delegates, Ellen Sanders and Sandy Oliver. Mr. and Mrs. L. D. Winn, Mr. and Mrs. Alfred Bellah, Mr. and Mrs. Guy Harp, and Mr. and Mrs. Fred Standley accepted positions as room parents.

Sophomore students have selected Miss Birdie Crabtree as a sponsor for the coming year. Ray McDonald will lead the class as president; Dorothea Graves as vice-president; Virginia Reid as secretary; and Billie Turner as treasurer. Room parents of this class will be Mr. and Mrs. W. R. Meadows, Mr. and Mrs. R. C. Hillier, Mr. and Mrs. W. Graham, and Mr. and Mrs. H. T. Drake.

Kirkland Sponsors Ninth
Beginning their first year in high school are the freshmen, who have chosen Mrs. K. Kirkland as their sponsor. Assisting her in leading the class are president Frances Gooch; vice-president Paul Cook; and secretary, Joan Byars. Freshmen room parents are Mr. and Mrs. J. J. Wright and Mr. and Mrs. L. L. Byars.

Mrs. Cecil Simms was selected to lead the eighth graders in their activities. Officers of this class are president, Easton Wall; vice-president, Frances Standley; secretary, Nancy Ann Nicholas; and treasurer, Martha Jean Avent. Room parents for this room are Mrs. Gladys Haines, Mr. and Mrs. W. L. Avent, and Mr. and Mrs. H. E. Campbell.

Seventh Chooses Dollard
Composing the newest class in the high school are the seventh graders, who have chosen Mrs. Johnnie Dollard as their leader. Jimmy Lindsey will serve as president; Ira Prichard as vice-president; and Louise Prichard as secretary. Seventh grade room parents are Mr. and Mrs. L. C. Ponder, Mr. and Mrs. J. B. Hickman, Mr. and Mrs. P. L. Walters and Mr. and Mrs. Fred Schuette.

Many Visit Dahlia Garden

A. L. TARLTON

By POLLY WINSTEAD

Perhaps one of the best views to be seen on the campus of the West Texas State College is that of the Southwestern Dahlia Society Trial Grounds. Again this year the leaders of the society took blossoms and specimens of the flowers to the Amarillo Flower Show, which was held last Friday and Saturday.

In the year of 1942, wide recognition was given the local dahlia society because of the gorgeous blossoms displayed.

As one of the main features of the garden, A. L. Tarleton, the gardener, shows to one and all the gigantic blossoms, which have reached the diameter of 14 inches, and the dahlia that has had more than 650 blossoms this year. The plant named General Waville is one of the bulbs whose blossom measures such an unusual depth, and the bulb itself is valued at \$15.

Other interesting features of the garden are the extremely highly colored blossoms, and the many varieties of the types of bulbs. There are on the trial grounds more than 1,000 plants, and nearly 150 different types of bulbs are growing. One type of flower that always proves particularly fascinating to the many visitors is the bloom of the Cactus Dahlia, whose petals are ragged and pointed.

Much gratitude should go to the officers of the dahlia society, Levi Cole, president; G. W. Cox, vice-president; W. E. Miller, secretary-treasurer; and Dr. A. M. Meyer, committee workers, who have spent their untiring effort on the success of the garden. And to Mr. Tarle-

ton, the faithful caretaker of the grounds, go the congratulations of all the students, visitors, and residents of Canyon and other towns who have visited the garden and admired the profusion of the blossoms.

During the summer and fall of last year thousands of visitors came to see the dahlia bed, but this year, because of the war effort and the rationing of gasoline and tires, the

Sure, I'll take a Texan's Share

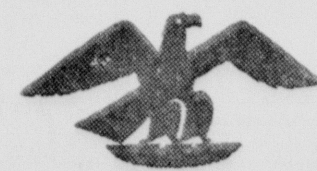

Your County War Fund is another "Victory weapon."

The United War Chest of Texas through war fund organizations in every county of the state is charged with the responsibility of raising \$885,781.00 for the 17 approved war appeals of the National War Fund. The national goal is \$125,000,000.

Each of the 17 participating agencies was carefully budgeted to reach every dollar contributed before it received the approval of the President's War Relief Control Board.

Texans now are being asked to take a Texan's share in their County War Funds to aid three fronts with one gift—the Military Front, the United Nations Front, and the Home Front. Remember, President Roosevelt has said that a share in the National War Fund is a share in winning the war. Use this "Victory weapon." Give to your County War Fund.

District Governor Is High In Praise of Canyon Rotary Club

District Governor W. M. Larmour of Graham highly praised the Canyon Rotary Club after his official visit here Monday and Tuesday. He met club chairmen Monday night in a business session and spoke Tuesday at the luncheon.

"It is easier to explain what Rotary has done than to attempt to show what it attempts to do," stated the Governor. "Members cannot get anything out of the club unless they put something into the club," continued the speaker.

Attendance is the barometer of any club. The Governor has a perfect attendance for 797 consecutive weeks. He likes to attend Rotary because of the fellowship, service, understanding which are obtained by meeting men of all creeds and all vocations.

Since Paul Harris organized Rotary in 1905 it has grown to reach 80 nations. In spite of the loss of 369 clubs in Axis held territory, Rotary showed a net gain of 295 clubs last year. There are more than 210,000 members in 5,595 clubs.

The speaker plead that Rotarians stand by the institutions which have made America great. "Write your officials; write your Congressmen. The pressure groups are using their influence for selfish purposes. Your officials want to hear from you. We are going to win the war, but unless patriotic American citizens take more interest in public affairs we could lose the peace."

Visitors were: Emil F. Myers, president of the Amarillo Rotary Club, R. E. Wertz of Amarillo; Rev. J. T. Barbee of Clovis; John R. Hammond of Canyon.

CELEBRATE ANNIVERSARY

Mr. and Mrs. R. D. Lowry celebrated their fortieth wedding anniversary in the home of their son, O. D. Lowry of Clarendon Sunday. LeRoy Lowry and another son of Amarillo, accompanied them to Clarendon.

Lt. and Mrs. Robert Hibbets are here on a short leave this week. Lieut. Hibbets is stationed at B. A. F. S., Waco.

Mrs. D. C. Laird of Kilgore is visiting at the home of her brother, Harvey Cash.

ANNOUNCEMENT

I have moved my offices from 1711 Fifth Avenue to 306 15th Street, one block north of the postoffice.
